Dear customers and partners,

We cordially invite you to the Aebi Schmidt Airport & Municipal Days 2024! Join us at the former German airbase in Penzing close to Munich, for a fantastic event full of learning and networking opportunities.

Benefit from an exclusive conference programme with top-notch industry speakers, live product demonstrations and the opportunity to test all machines in a spacious area, together with our experts. Our Schmidt airport machines, winter maintenance equipment and municipal sweepers, as well as our Aebi product range are available for demonstrations and test drives during the event.

Join us for first hand experience of airport and municipal technology and a glimpse into the future of our industry.

Yours sincerely,

Barend Fruithof
Group CEO

Rudi Rosenkamp
